4. Insurance Panels and Billing

4.1 Accepted Insurance Panels

AreebaCare Healthcare Assistant is an approved panel hospital for the following insurers: State Life Insurance, Jubilee Health Insurance, EFU Health, Adamjee Life & Health, and TPL Health Takaful. Patients under a panel insurer must present a valid insurance card and CNIC at the billing counter before admission.

4.2 Billing Policy

Cash, debit/credit card, and mobile wallet (JazzCash, Easypaisa) payments are accepted. A refundable admission deposit is required for non-panel (self-paying) patients prior to ward admission; the deposit is adjusted against the final bill at discharge.

5. Appointment Booking with a Specialist

Appointments can be booked in three ways: (1) calling the appointment desk at +92-41-111-222-333 between 8:00 AM and 8:00 PM, (2) using the AreebaCare patient portal at booking.areebacare.pk, or (3) walking in to the OPD reception counter. A confirmation SMS with the token number and estimated consultation time is sent once the appointment is booked.

6. Laboratory and Radiology Operating Timings

Service	Timings
Laboratory (routine sample collection)	Daily, 7:00 AM – 9:00 PM
Laboratory (emergency/STAT tests)	24/7
Radiology (X-Ray, Ultrasound)	Daily, 8:00 AM – 10:00 PM

7. Patient Admission — Required Documents and Steps

7.1 Documents Required

Original CNIC or B-Form (for minors), referral slip or consultant's admission advice, insurance card (if applicable), and any prior medical records relevant to the current condition.

7.2 Admission Steps

1. Patient is registered at the admission counter and a Medical Record Number (MRN) is issued.
2. Admission form is filled and signed by the patient or attendant.
3. Billing counter verifies insurance panel status or collects the admission deposit.
4. Patient is escorted to the assigned ward/bed by nursing staff.
5. Attending consultant is notified and begins the treatment plan.

7.3 Discharge Procedure

1. Attending consultant issues a discharge order once the patient is medically fit.
2. Nursing staff completes discharge summary and medication instructions.
3. Billing counter finalizes and settles the invoice (including insurance claim processing, if applicable).
4. Pharmacy dispenses take-home medication as prescribed.
5. Patient/attendant receives the discharge summary and follow-up appointment details.

8. Parking and Ambulance Services

Free patient and visitor parking is available in the hospital's basement and open ground-floor lot, with dedicated spaces for wheelchair users near the main entrance. The hospital operates a 24/7 ambulance service, dispatched by calling the emergency helpline 1122-ACHA or +92-41-111-999-000; ambulances are equipped with basic life support (BLS) and oxygen supply.

9. Emergency Protocols and Helpline Numbers

Service	Contact
